BEFORE YOUR RACE: 15.10.22

ATHLETE CHECK-IN: Check-in opens at 06:15 am. Please ensure that you bring your ticket QR code that you received via email upon ticket purchase & a valid form of ID. At registration, you will receive your entry wrist band, your start number & your timing chip, which you will attach to your right ankle with the velcro band provided.

PLEASE NOTE: Don't lose your timing chip! If lost, you will be charged £45.

CHANGING ROOMS: The changing rooms are located on the left hand side of the race hall upon entrance.

BAG DROP: Located next to the changing rooms, you can drop off small gym bags with all items inside. HYROX is not responsible for lost bags outside of bag drop. Your bag must be collected within 1 hour of finishing your race.

WARM-UP AREA: You can warm up within this zone prior to your race with HYROX and Concept2 equipment. Please go to the start zone 10 minutes before your start.

YOUR HYROX RACE

HEALTH & SAFETY: Participation is at your own risk. If your health does not allow you to participate, we recommend that you do not take part.

PRE RACE AREA: You must go to the start zone 10 minutes before your race start time, where we will check your start number & your timing chip.

YOUR START: There are 50 athletes per each Singles start wave, 45 pairs in each Doubles start wave & 15 teams per Relay start wave.

THE ROXZONE: The ROXZONE is the area consisting of the run and the 8 workout stations. The competition starts with 1 km of running. The run course is visibly separated from the workouts by fences, with the YELLOW arc marking the IN entrance & the BLACK arc marking the OUT exit from the ROXZONE.

HYDRATION STATION: There is a water station located in the Roxzone, alongside a Red Bull energy station to help keep you fueled during your race.

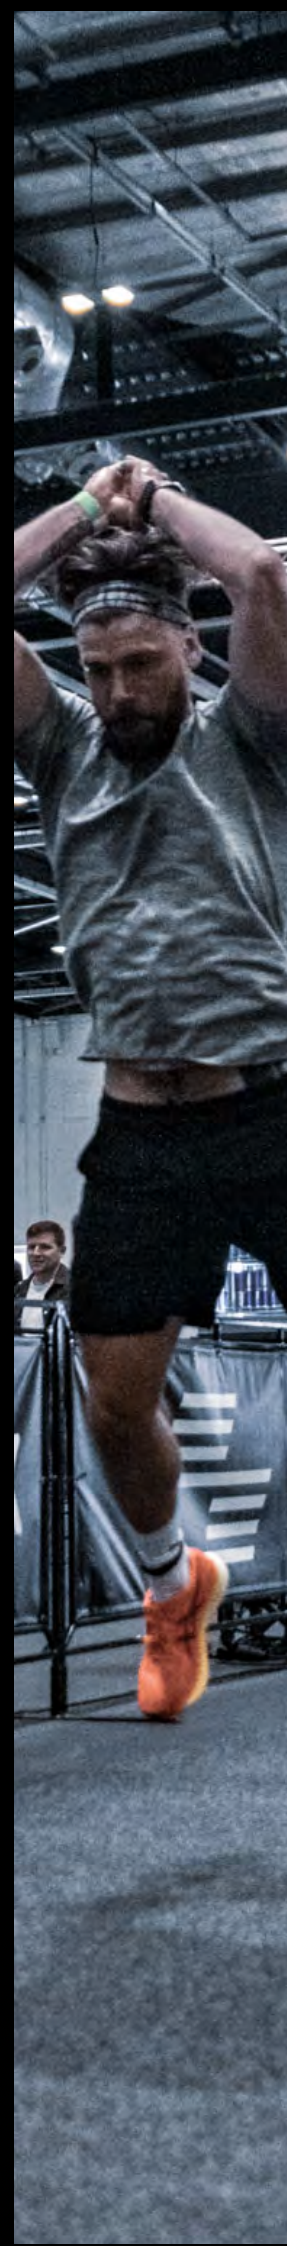

MOVEMENT STANDARDS AND RULEBOOKS: The movement standards from the respective rulebook for your division must be adhered to. Please click the links below to find HYROX Rulebook for each division.
